We Are Pleased to Welcome our New Children's Librarian Erica Dean Glenn

Hello to the Parents and Children of Southington, Having adored libraries and literature growing up, I am happy to have the opportunity to help introduce young people to the wonders of reading and information. I have worked with young people ranging from 3 year olds in a Montessori classroom, to elementary school students in a public library, right along to college students in an academic library. Children's literature and programming were among my favorite classes in library school, and I am glad to be able to work with kids once again.

I am looking forward to meeting all of you in the coming days, weeks, and months.
