

Are you ready for a magical adventure?

Well, come on, then!

Before we get started, let's brush up on our magical history.

Check out the British Library exhibition: [Harry Potter: A History of Magic](#)

Our adventure begins shopping for wizarding supplies! Take a 360 degree tour of [Diagon Alley](#) and grab a wand at Olivanders Wand Shop or a bottle of love potion at Weasleys' Wizard Wheezes.

All aboard! You've made it to Platform 9 3/4. Enjoy your ride on the [Hogwarts Express](#).

You've finally arrived at Hogwarts! [Take a virtual tour](#) of this magnificent school.

While you're here, why don't you pop into a Divination Class, or visit the greenhouses in Herbology? You can take [Hogwarts courses](#) online for free!

School is done for the day! Let's take a walk to [Hagrid's Hut](#) to enjoy a cup of tea and a rock cake. As much as anyone enjoys rock cakes, anyway...

Whew! What a long day! Kick back and relax in the [Gryffindor common room](#) with your best mates and a chocolate frog. Watch out, they really jump!
