Hello Southington!

The Southington Public Library will be opening for computer use, business center access, and reference assistance on Saturdays from 9am-5pm beginning on Saturday, September 12<sup>th</sup>!

Due to Covid-19, space is limited and we strongly request you make an appointment [online](#) to save your spot or by giving us a call. Walk-ins are permitted only as space and scheduled appointments allow. The last appointment of the day will be at 4:30pm. Masks are required at all times.

Library Material Pick-Up hours will also expand to Saturday mornings from 9:30am – 1:00pm. Please give us two hours to get your items ready and call before 11am for same day pickup. Or plan ahead and call us during the week! Lockers will remain available for afterhours and Sunday pickup.

InterLibrary Loan is also back! We are receiving shipments from other libraries twice a week and are working to fill your holds and requests. Items delivered, like returns, are being isolated before these are available for pickup. With this new addition, fines also return. You can prevent these fines by renewing online, or by giving us a call after your first courtesy renewal.

Keep following our calendar, e-newsletters, and Facebook for our exciting fall events.

Sincerely,

The Southington Public Library Staff
